

## CARE Series

# 3355 WALK-IN TUB

The American Tubs 3355 from our CARE Series offers a luxury spa experience in the comforts of your own home. The extra-wide interior is specially designed to accommodate individuals up to 350 lbs.

The 3355 is one of the widest and roomiest walk-in tubs on the market, second only to our 3555 model. The curved, 23½" doorway design allows for easy entry into the tub's interior even for someone with a large midsection. The extra-large, 25½" seat can only be found on the 3555 walk-in tub, plus the expansive well is perfect for a comfortable standing shower.

It's important to note that the 3355 is best suited for larger bathrooms and often requires doorway widening to get it into the bathroom.
