

CARE Series

2653 WALK-IN TUB

The American Tubs 2653 from our CARE Series presents an elegant, safe and rewarding spa experience within a unique compact design.

The 2653's minimal footprint maneuvers easily through most narrow doorways, hallways, and fits most bathtub or shower spaces. This space-saving design is often the most cost-effective unit as its outer dimensions minimize construction costs.

With its 16" wide doorway and 36" overall height, the 2653 is an excellent pairing for petite users between 90-140 lbs. and roughly 5'4" tall.
