LOVE Series

2852W SLIDE-IN TUB

The American Tubs 2852W is the newest addition to our outward-swinging door LOVE Series and comes packed with specialty features.

The 34 $\frac{3}{4}$ ", extra-wide, outward-swinging door is the highlight of this slide-in or transfer seat walk-in tub design. The full seat access from the exterior of the tub was specifically engineered to accommodate wheelchair users, seniors with dramatically limited mobility, paraplegics, amputees, and those individuals with special needs.

Understandably, the 2852W comes highly recommended by in-home and long-term healthcare professionals. The innovative 180° turn door handle and smooth-glide locking mechanism ensure an effortless, worry-free, leak-proof door seal. The 2852W is also an excellent choice for trimmer individuals up to 220 lbs.
