

COMPACT SERIES D2646KS Walk-In Tub

The American Tubs **D2646KS** from our compact series presents an elegant, safe and rewarding spa experience within a unique, space-saving design.

The D2646KS's compact width and length allows for easy maneuverability through narrow doorways, hallways, and perfectly fits in tight spaces.

This is the tub of choice for either petite users between 80-140 lbs. and shorter than 5'6" tall, or for installation in a 48" shower stall. This rare tub size enables even mobile homeowners and those with a three-quarter bath to recapture their independence.
