

## EXTRA WIDE AND DEEP SERIES **D3355KS Walk-In Tub**

The American Tubs **D3355KS** from our Extra Wide and Deep Series offers a luxury spa experience in the comforts of your own home. The extra wide interior is specially designed to accommodate individuals up to 350 lbs.

The D3355KS is one of the widest and roomiest walk-in tubs on the market, second to our D3355KS model. The curved, 23 ½" doorway design allows for easy entry into the tub's interior even for someone with a large midsection. The extra-large, 25 ½" seat can only be found on the D3355KS walk-in tub, plus the expansive well is perfect for a comfortable standing shower. It's important to note that the D3355KS is best suited for a larger bathroom and often requires doorway widening to get into the bathroom.
